Office for Human Dignity

"...in the divine image God created them." Genesis 1:27

June 6, 2013

Dear Family, Friends, and Co-Workers of **Stephanie Tennery-Lanken**,

Warm greetings and blessings! We are pleased to announce that **Stephanie** will be serving as a volunteer with the Partnership in Mission on our team trip to **KENYA**. The Diocesan Office for Human Dignity - Partnership in Mission sponsors this mission. The goals of the Mission are:

- To share skills and knowledge in one of the poorest of the poor
- To deepen one's own spiritual life by sharing in service, prayer and reflection
- To learn from the poor and marginalized in a way that reflects mutuality and solidarity
- To understand the causes of injustice and to find ways of communicating these insights

The Medical Missions work by first establishing a relationship at the mission site with local Church leaders, and then developing a plan that meets the local needs according to the resources available to the local Diocese.

Please consider supporting **Stephanie Tennery-Lanken** with your prayers and perhaps a donation. Each team member is asked to raise $2,000.00 or more, to cover trip costs. Because Partnership in Mission is a ministry of the Diocese of Joliet, all contributions are fully tax-deductible.

We thank you for any assistance you may be able to give the volunteers of Partnership in Mission.

In Christ's peace,

Bruce Gardner
Ministry Coordinator

Yes, you can count on my prayer support for Stephanie Tennery-Lanken.

Yes, I would like to provide financial assistance. Enclosed please find my gift of $ _____ to support Stephanie's work in the KENYA mission.
(all checks should be made payable to Diocese of Joliet, on the memo line write KENYA MISSION, not to the individual. We will credit your gift to the Stephanie Tennery-Lanken account.)

Name: _____

Address: _____

City/State/Zip: _____
Please send to:
Diocese of Joliet - Partnership in Mission - 100 W. Airport Rd. - Romeoville, IL 60446

Make sure this form is returned with the check for processing
