Project Information:

The troop will be working together to move boxes of files from the Northgate Water Tower to the Youth Center. There are about 200 boxes that the Village needs moved from Northgate to the Youth Center because they want to sell the property. The boxes will be loaded into vehicles driven by adult volunteers and taken to the Youth Center. Once they are there, they will be placed into a giant filing cabinet using an organizational filing system. Everyone will meet at the Northgate Water Tower where they will be assigned a task. The scouts working at the Youth Center will be driven there by an adult volunteer. They will also be driven back to Northgate, where we will break for lunch at noon.

Reminder: No open-toed shoes and please bring gloves.
