

Boy Scout Troop 24
Riverside, Illinois
2010-2011 Commitment Form

Commitment by the Scout

I recognize that my family commits time and resources for me to enjoy Scouting. I recognize that my Scout leaders commit time and training to help me succeed in Scouting. I recognize that my fellow Scouts count on me to be there to help us all be the best Troop we can be.

In recognition of the commitments other people make on behalf of my success in Scouting, I pledge to show my commitment to Scouting this year by:

- Arriving on time for Troop meetings in full uniform.
- Conducting myself at Scouting activities so we all get the most from our time together.
- Helping the Troop when help is needed.
- Communicating with my Scout leaders so they can help me succeed in Scouting.
